

Mass Timber manufacturing at Vicbeam

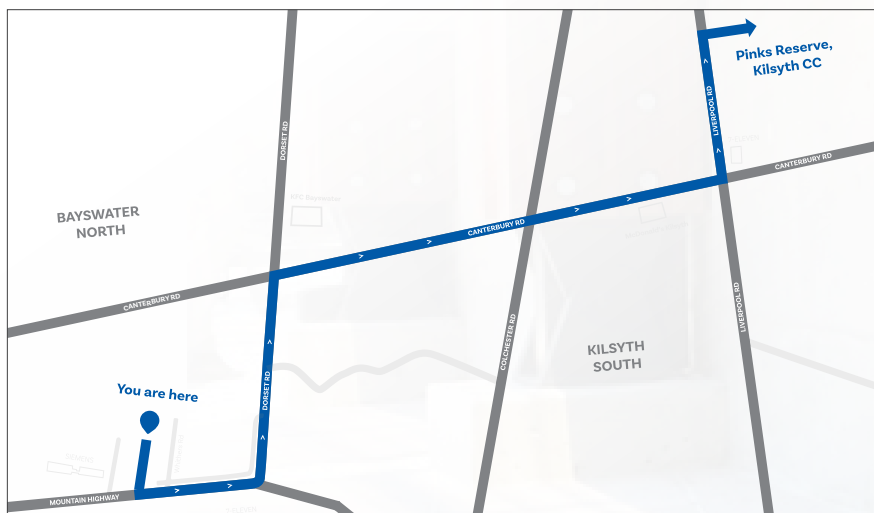

Vicbeam is a leading structural glulam company for over 15 years manufacturing and supplying glulam beams for several key commercial projects in Australia.

Tour the Vicbeam factory to get an overview of the glulam manufacturing and its processes. The visit will continue at the Kilsyth Cricket Club (10 mins drive), where refreshments, drinks, and a presentation will be held.

Please note that all attendees must supply their own PPE High Vest and Masks. PPE Ear Plugs will be provided and all attendees must sign in before the tour starts.
